## CARBIDE TIPPED HOLE CUTTERS

PC 6405

Carbide tipped hole cutters are highly-efficient and are a clean way to tackle sheet metal and stainless steel cutting jobs of all sizes. Complete your jobs in a fraction of the time at a fraction of the cost with our state-of-the-art design and get a smooth and effortless cut every time. Precision and accuracy are consistent with the replaceable spring loaded pilot bit and built in drill flange preventing any penetration beyond the drilled metal surface. When innovation and quality matter to you don't trust any ordinary brand for your extraordinary job.

CAT. NO.	UPC	DIA	CONDUIT & PIPE SIZE	STD	MSTR	WT/STD
